WHAT DID YOU ENJOY MOST?

WHAT DID YOU ENJOY LEAST?

The game felt rushed

Nothing!

Aliens sequestered,
understand though

Felt pressured at the map

The science conference

Would like individual
team feedback

Some rules
were confusing

Science felt disconnected

ADDITIONAL COMMENTS

More copies of how game works
and objectives

Better explanation of unique abilities

Few hiccups mostly due to first time,
but great fun

Would prefer clear winner.

Good

Started late

MORE!!!

Thanks

Well run, I really enjoyed it!

Earlier advertisement

The resources were utterly mind blowing

Game wrapping up early was good.

Feedback on how teams went with their objectives

Really enjoyed

Take it a bit easier on players
on the first turn.

Lots of fun, I would like to come again

Some of the rules seemed to change,
some of the GMs not on the same page

Enjoyed it immensely
